Biblical Sexuality:
As outlined in our Statement of Faith, "We believe that 'All Scripture is given by inspiration of God,'" by which we understand "All Scripture" to be a reference to the whole book called "THE BIBLE; that it is inerrant in the original writing and that its teaching and authority are absolute, supreme and final." The Bible speaks to issues of human relations, including those involving sexual morality, and is our ultimate rule of faith and practice. Within this context we ask that you affirm your agreement with the following statements.

Gender is genetically encoded by God prior to birth. ☐ Yes ☐ No

It is a violation of God's creative order to attempt to modify or transform human gender. ☐ Yes ☐ No

Because of the immutable nature of gender, participation in any program or activity of *CEF* that is limited to individuals of one sex is exclusively limited to individuals who are persons of that sex at the time of their birth. Access to facilities that are designated for use by only one sex is likewise exclusively limited to individuals who are persons of that sex.
☐ Yes ☐ No

Sexual expression is reserved for heterosexual marital unions and insists on abstinence for the unmarried. All other forms of sexual conduct are inconsistent with the teaching of Scripture. ☐ Yes ☐ No

As a *CEF* volunteer I will abstain from engaging in or publicly supporting unbiblical sexual practices or unbiblical marital unions. ☐ Yes ☐ No

Tattoo Policy:
Do you currently have or plan to get a tattoo? ☐ Yes ☐ No

If yes, I understand that I will be required to keep covered any tattoo that could be deemed to be morally objectionable and, I recognize that the following, while not a comprehensive list, represents some examples of tattoos that will be deemed objectionable: Images that depict nudity, sexual innuendos, drugs, alcohol, demonic images, gang affiliation and profanity. ☐ Yes ☐ No
